SPARRC

WORK READY

What it is

Stabilization Programming Around Recovery and Resilience Coaching is a supportive program integrating clinical case management and light coursework to help address barriers to successful, permanent employment.

A 4-week online course where you will create an eye-catching resume, cover letter, and also learn professional workplace habits and interview skills.

What we provide

- Clinical supports focused on barriers such as recovery and mental health
- Group and one-on-one sessions to meet each individual's needs
- A supportive community of clients and staff who believe transformative change is possible

- Dedicated 1:1 case management to help you reach your employment goals
- Develop the skills to get, and succeed at, your next job
- Flexible workloads and scheduling to accommodate your needs
- Individualized feedback and support from instructors

Eligibility

Open to motivated individuals who seek support in developing a strong, stable foundation in preparation for joining the workforce and finding employment success.

Clients **MUST** meet the following criteria to be eligible for Work Ready:

1. Motivated to work.
2. 90 days of sobriety.
3. Access to technology (Computer and/or Smartphone).
4. Satisfactory computer skills.
