

LEAP

LOGISTICS ENTERPRISE APPRENTICESHIP PROGRAM

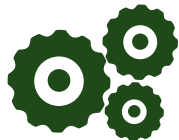

Your Warehouse and Delivery Staffing Solution

Trusted Partner

In operation for over 50 years, Project Place is a state certification site, granting apprenticeships in light truck and vending. Employees are proficient in warehousing, loading and delivery practices, and have received national certifications in OSHA, ServSafe, CDL, and/or Customer Service.

Productive

Project Place pre-trains employees in your company's specific operating procedure. If you hire 5 employees, you get a bonus 6th - an on-site supervisor billed at worker rates. We also provide a direct link to a Project Place relationship manager.

Efficient

We ensure an ample pool of workers at all times. Hiring graduates also may make your company eligible for a Work Opportunity Tax Credit (WOTC) of up to \$9,600 per hired employee.
