RECOVERY AND RESILIENCE COACHING

### WORK READY

What  
it is

A structured program with the goal of employment. It is designed to support students with tools to address patterns of behavior and external barriers that may have been limitations in the past.

A 4-week online course where you will create an eye-catching resume, cover letter, and also learn professional workplace habits and interview skills.

What we  
provide

- Clinical supports focused on barriers such as recovery and mental health
- Intensive Case Management & Care Coordination
- Ongoing Support Groups
- Structured Guidance for Personal and Employment Goals

- Dedicated 1:1 case management to help you reach your employment goals
- Develop skills to get, and succeed at, employment
- Flexible workloads and scheduling to accommodate your needs
- Individualized feedback and support from instructors

Eligibility

Open to anyone motivated to work, who also seeks support in developing a strong foundation for joining the workforce and finding ongoing employment success.

Clients **MUST** meet the following criteria:

1. Motivated to work
2. 90 days of sobriety
