

Project Place Employer Update

July 7, 2020

Client Hired!!

Jeannette Holland was hired by the US Census Bureau to help conduct the 2020 Census. She started Work Ready in February and did IIP in March. She was about to jump in working at Coop's when she was hired. We have been trying to get clients hired for the 2020 Census for many months now and are glad Jeannette started there last week. Please reach out to Nicole, who is her case manager if you would like to congratulate him.

Damore West was hired by Daily Table, which is an affordable city market. This is a very essential position during the pandemic, and we are proud of Damore for taking this position. Damore was in the March Work Ready class. Please reach to Manny, who is his case manager if you would like to congratulate him.

Staffing Agencies

Many staffing agencies are beginning to recruit candidates. This could be a great opportunity for our clients to find employment. Below are agencies that have openings.
