August 19, 2020

## Clients Hired!!

Solange Anestal and Liz Tiana Comas both obtained jobs at Wings Over Somerville. Solange started SPARRC in July and Liz enrolled this month in SPARRC. They worked hard with the SPARRC staff to obtain these jobs and we are very proud of them. They will stay connected to Project Place as they attempt to move their careers forward. Please reach out to Emily if you would like to congratulate them.
