

Project Place Employer Update

September 15, 2020

Client Achievement!!

Jason Amaral has passed his training and has received his Commercial Driver's License (CDL). Jason came to us in February and started working for LEAP on his first day as he was able to test out of Work Ready. He worked for LEAP for 3 months before entering CDL school. His schooling was funded by Project Place's ITRP grant. We are so proud of him and are excited for what his future holds.
