Shaunta Hearn was hired by Project Place as the Assistant Supervisor at Working Opportunities for Women. Shaunta started with Project Place in August 2019 with Work Ready. She did IIP and then worked for 6 months in LEAP. When WOW was short-staffed during the pandemic, Shaunta started working at Coop's and did such a great job that she was hired on as full-time staff. We are so very proud of Shaunta and are happy to have her as a valued member of the Project Place team. Please reach out to Shaunta to congratulate her.

Leilani Millika Ray was hired at Olive Garden in South Bay. She came to Project Place in August and participated in SPARRC. With the help of the SPARRC team Leilani secured her job. She is continuing Case Management and looking for a second job. Please reach out to Larissa, who is her case manager, if you would like to congratulate her.
