

Project Place Employer Update

January 20, 2020

Career Services Assistance Form

Please fill this out this form if you would like individualized resume review and employment assistance from Career Services. [Click here](#)

Client Hired!!

Nate Benson was hired by Brigham and Women's Hospital. He started with Project Place in January 2020 with the SPARRC program. He then completed Work Ready and IIP before being hired into Clean Corners. He worked to keep the Project Place building clean and safe throughout the year. He was a friendly face and a very dedicated member of the Project Place community. We are very excited for him and this opportunity. Please reach out to Emily if you would like to congratulate him.

Lisa Rastellini was hired by Courtyard Nursing Care Center. She started with Project Place in October 2020 and completed Work Ready, IIP, and began working at Working Opportunities for Women. She was very dedicated to her job search and secured this position very quickly. We are very excited for her to begin. Please reach out to Allie if you would to congratulate her.
