ABOUT PROJECT PLACE

Since 1967, Project Place has been committed to serving the needs of Boston's most vulnerable populations. Our mission is to promote a community of hope and opportunity for homeless and low-income individuals by providing the skills, education, and resources needed to obtain and sustain employment and housing. Rooted in the belief that the human spirit is resilient, we invest in the person, building long-term relationships that span years, and see our clients build the lives they dream of for themselves.
